

Aquatic training programmes

We are proud to offer on behalf of the NSPF ® several training packages including
Certified Pool and Spa Operator . (CPO ®) Certification
Certified Pool and Spa Inspector . (CPI ®) Certification
Aquatic play features.
Risk management.
Emergency Response planning .

We at The Pool People Ltd are also happy to announce the launch of 2 new training packages to complement our successful NSFP ® Certified pool training programmes .

The first **Basic Pool maintenance** , has been designed for what we call the “ **pool virgin**” . Aimed directly at those people who just maintain their own pool and require the basic knowledge to enable them to enjoy their own facility .

The course is a 1 day course with a mixture of theory (in our offices) and practical at your home or in the field with one of our fully qualified instructors . it includes the following

- Basic calculations
- Chemical water testing
- Disinfection
- Chemical choice and administration
- Pump room operations
- Problem solving
- Practical experience .
- On call help and advice.

Cost of course 1 €149.00

The second training course . **Pool and plant room introduction** , is a 2 day introduction training course aimed at those people who are either contemplating a career in the aquatic industry or those people who are maintaining a complex facility where they live etc . This course includes a full days field training , all of the above theory Plus .

- Facility health and safety
- Chemical storage
- Pool water contamination
- Regulations and guideline
- Keeping records.

Cost of course 2 €199.00

Both these courses are taught by one of our fully trained Instructors and include all course material. The courses will give you all the basic knowledge required to understand the requirements and dangers when maintaining any form of aquatic facility .

These courses are also designed to be flexible to meet your individual needs and can be structured to the individuals requirements . Just contact Tony or Paul who can talk you through the options open .

As a further incentive should any client wish to proceed to the NSPF certified pool and spa operator (CPO) level a 50% discount will be offered from the course you have already chosen , this means if you complete the two days course @ €199 you will be entitled to €100 discount off the standard CPO course fee.

FOR COMPANIES .

We can also structure any form of training package to companies , Hotels , pool maintenance , property management companies etc to suit the individuals requirements .

For further information please contact Tony or Paul on (00357) 26 623342 or mail to enquiries@theopoolpeople.eu
